

Sponsor Request Brielle Day Craft Fair

March 2025

Dear Supporter,

The Woman's Club of Brielle is offering sponsorship opportunities to our local businesses to support the costs of our annual Brielle Day Craft Fair. Our event will be held as part of the Brielle Day celebration at Brielle Park, located near the Library on Saturday, September 6, 2025, from 9 am to 4 pm.

Brielle Day is a community event where many local non-profit organizations bring the community together for a day of fun and information. These organizations participate with live music, food, fire truck rides, crafts, activities and more.

Historically, Brielle Day has attracted thousands of people each year from the tri-state area and our juried craft fair is a much-anticipated part of the event, featuring over 150 skilled artisans. The addition of our new Kids Corner last year was a hit and the vendors who participated are thrilled to join us again in 2025.

This year, our sponsor committee is preparing small bags of hard candy with an attached acknowledgement of your generous sponsorship. These will be distributed to our sponsoring businesses to share with their customers and show their community support. Please see the enclosed Sponsor Form. All sponsors will be acknowledged through our "Countdown To Brielle Day" campaign on social media and posted on our website. You will also receive a letter of thanks and 501(c)(3) information for your taxes.

The Woman's Club of Brielle is a non-profit 501(c)(3) volunteer service organization, comprised of a multi-generational mix of working and retired women. Together, we use our life and professional experiences to fulfill our commitments to our community and the charities we support. Proceeds raised at this event will aid in our efforts to continue this much-needed service.

Thank you in advance for your generous support! Please feel free to contact us at wcbrielledaysponsor@aol.com for additional information.

Sincerely,
Joan Morse
