

SWEETHEART AWARD - 2025

MARIBETH PELLY

It is with great pleasure that we recognize Maribeth Pelly, Director of the Brielle Library, for her unwavering support of our club and its initiatives.

For the past two years, Maribeth and the Brielle Library have been instrumental in raising public awareness for our public collections including our Diaper Drive and Cereal Drive. Her continued support has made a significant impact on the success of these important community events.

Additionally, Maribeth generously allowed us to use the library for our Second Annual Leadership Conference, further demonstrating her dedication to our club's interests.

The Brielle Library has also served as the venue for our Monarch Butterfly Project, part of the club's environmental initiative, focusing on educating the public about the endangered Monarch Butterfly and its role in our ecosystem. In recognition of this effort, the garden in front of the library has been officially certified as a Monarch Way Station in collaboration with the Bayberry Garden Club, who created a pollinator garden with Maribeth.

Maribeth's contributions extend beyond events and projects. She plays a crucial role in the collaboration between the Evening Committee and the library, actively promoting our events and donation drives on the library's website, and displays posters and flyers, helping to keep the community informed of our initiatives. Furthermore, our prospective member orientations are held in the library, further fostering a welcoming community environment.

Maribeth, we are deeply grateful for your dedication and support. It is with great honor that we present you with The Woman's Club of Brielle Sweetheart Award. Thank you for everything you do for the Woman's Club of Brielle and our community.
